

REL-GR

Goof Ring for REL Series LED Downlights

Product Description

The REL Series Goof Ring provides a seamless structure to cover over cut or ragged edged holes when installing the REL series of fixtures.

Construction

- Cast aluminum
- Stepped design to allow flush transition with fixture

Finish

- White powder coat finish

Mounting and Installation

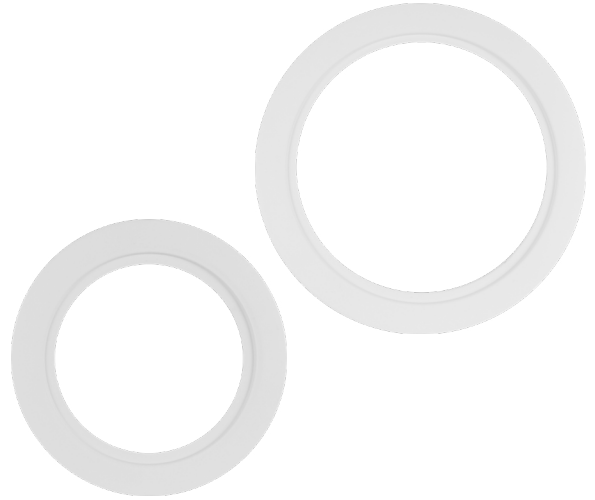

- Fits over back of REL series fixtures (REL/RELS/RELR) to cover oversize cuts in sheetrock or other mounting surfaces.
