

# L-Mesitran<sup>®</sup> Soft Wound Gel with Medical-Grade Honey

## ITEM 3078 1.75 oz. (50 g)

Dynarex L-Mesitran Soft Wound Gel with Medical Grade Honey is a primary dressing gel designed to create a moist healing environment for a variety of wounds. L-Mesitran Soft is formulated with 40% medical-grade honey, hypo-allergenic lanolin, and vitamins C & E to retain hydration and protect skin at the wound site.

- Formulated with 40% medical-grade honey, hypo-allergenic lanolin, and vitamins C and E to promote optimal healing of chronic wounds
- Moisturizing formula helps to restore wound pH balance
- Anti-microbial gel helps to cleanse and debride wounds to accelerate healing process
- Commonly used with secondary dressings to minimize adherence to the wound bed
- Ideal for use on chronic and acute wounds at stages 1, 2, 3, or 4
- L-Mesitran is a registered trademark of Triticum Exploitatie B.V.
- 1 per box, 24 boxes per case
