

Floor Science®

Floor Science®

Heavy Duty Floor Stripper

Floor Science® Heavy Duty Floor Stripper is a low-odor, heavy duty stripper for today's tough build-ups and burnished finishes. Excels with superior wetting, penetration and emulsification properties. Use the complete Floor Science system to create and maintain a consistently brilliant shine on floors with minimal time and effort.

Features & Benefits

- Works on both Floor Science finishes
- Non-solventated formula is suitable for use on a wide range of flooring
- Heavy duty and non-ammoniated for tough stripping jobs without the odor
- One gallon covers up to 1,125 sq. ft. (104 sq. m)

Applications

- For use on resilient and non-resilient floors
- Do not use on unsealed wood, cork, linoleum or painted surfaces

Use instructions

Use appropriate personal protective equipment.

1. Dilute product as follows: Light /Medium build up of Floor Finishes: Dilute product 1 part Floor Science® Heavy Duty Floor Stripper with 8 parts cool water (16 oz./Gal).
Heavy build up of Floor Finishes: Dilute product 1 part Floor Science® Heavy Duty Floor Stripper with 4 parts cool water (32 oz./Gal).
2. Blockade areas to be stripped or sealed. Floors will become very slippery when stripper is applied. Exercise caution.
3. Apply liberal amounts of solution uniformly on floor with mop. If splashing occurs, wipe off surfaces with a clean rag dampened with water.
4. Let stripper solution soak in for 10-15 minutes. Increase soak time if using cool water. Keep areas to be stripped wet.
5. Scrub thoroughly using a stripping pad or brush to break-up film.
6. Pick up all of the solution with a clean mop, wet vac, or an automatic scrubber.
7. Thoroughly rinse floor with clear water.
8. Let floor dry completely before applying recommended Floor Science® floor finish or sealer.

STORAGE AND DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Do not store in food processing or storage areas.

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
