

SECURESAFE™ SYRINGE WITH SAFETY NEEDLE

Dynarex SecureSafe Syringes with Safety Needles offer an efficient, sterile solution for delivering medication or drawing blood. Each syringe features a secure safety mechanism to help protect against needlesticks, with double-beveled needles designed for smooth, comfortable injections.

- Designed to effectively deliver medication or draw blood
- Safety mechanism with quick cover helps protect against accidental needlesticks
- Double-beveled needle helps improve patient comfort
- Transparent barrel with large-font gradations allows for accurate measurement
- Color-coded needle hub allows for quick identification of needle gauge
- Needle attaches securely to syringe via luer-lock connection
- Sterile, non-toxic, and non-pyrogenic
- Not made with natural rubber latex
- 100 syringes per box, 8 boxes per case
