Dynarex Advantage Surgical Sponges are premium-quality gauze sponges designed for cleaning, prepping, and dressing wounds. These Sponges are crafted from 100% cotton gauze for optimal absorption.

- Highly absorbent, 100% cotton gauze (woven)
- No exposed raw edges - cut edges folded in
- Economical, available in sterile and non-sterile varieties
- 3368-3369: Sterile sponges packed in peel-down pouches for convenient, aseptic handling
- 3368-3369: Pouches packed in open trays for easy access
- Ideal for many uses, including dressing, cleaning, and prepping procedures
- Not made with natural rubber latex or DEHP
