

# TORCH™ CASCADE

## MIG WELDING GLOVES

We developed the Cascade in motorsports to handle a range of metalwork all with one set of welding gloves. It's crafted with Durahide™ cow performance leather to create the perfect tool for MIG and TIG welding applications. Our HiRoller™ rollover fingertip design repositions exposed seams to improve dexterity, durability and control.

### FEATURES

- 1 Cowhide gauntlet cuffs protect against welding slag.
- 2 Durahide™ cow performance leather construction doesn't dry out or crack with heat exposure.
- 3 HiRoller™ rollover fingertip design offers welders better dexterity, durability and control.
- 4 Glide-resistant leather side seam reinforcement protects from surface burns while you work.
- 5 Comfortable Keystone thumb design gives you better control.
- 6 Gunn Cut glove design reduces seam usage in the palm for heavy material handling.
- 7 Internally reinforced fingertips provide crucial heat resistance and increased wear.

### INTENDED USES

- Automotive
- Aerospace
- Manufacturing
- Construction
- Pipewelding
