

Mantis® Uplight

Insect Light Trap System

This design is out of sight! Attractive and stylish wall mounted insect light trap: the perfect choice for public areas where flying insect management needs to be discreet e.g. restaurants and front-of-house. Disguised as a wall sconce with a full-size glue board, and a 15-watt Quantum standard lamp that is hidden from view. Front cover can be painted, wall papered, or decorated to match existing decor.

Features & Benefits

- Wall sconce design: out of sight and disguised as a wall light for use in all public areas
- Uses 1x15W 18" T8 Quantum Lamp, optimum performance
- Deflector: reduces wall surfaces from discoloring
- Lamps are interchangeable with other PestWest systems
- UL Listed, and 3 year manufacturer warranty
- Is a key component in any IPM or LEED program
- Insects are contained within the system for a clean catch
- Silent, with no chemicals or smelly attractants

Applications

- Ideal in all public areas such as as dining rooms, hallways, vestibules, waiting rooms, deli's, cafes, and bakeries
- Catches all sizes of flying insects

Mantis[®] Uplight

Insect Light Trap System

Disguised as a wall sconce, the Mantis[®] Uplight is easily mounted on the wall for years of reliable service. Incorporates the latest technology. This means fewer flies bothering your customers, your employees - decreasing spread of diseases, viruses and protozoa and preserving your brand. For a clean and healthy flying insect-free environment, Mantis[®] Uplight is a key component of the overall Diversey Integrated Pest Management (IPM) program.
