Cablofil
4" Basic Drop Out (Bdo)
Part No. BDOBL

The Basic Dropout (BDO) smooths the transition of cabling dropping out of wire mesh tray. These dropouts snap into place without hardware and reduce the strain of cables as they exit or enter the tray. It mounts at the end of the wire basket cable tray parallel or perpendicular to the tray bottom.

Features & Benefits

4"" width allows small cable bundles through the mesh.

Full 90-degree drop eliminates pressure points on cables as the 2"" radius reduces cable stress.

Extended side wings on each side offer wider cable support area outside the tray.

Tie-down slots are available to assist and secure the cables as they exit the dropout.

Compatible with all Cablofil® Wire Mesh trays.

Specifications

General Info

Product Line	Cablofil	Color	Black
Finish	Painted	UPC Number	800388535961
Country Of Origin	United States	Material	Carbon Steel
Application Sector	Commercial, Industrial	Type	Dropouts

Dimensions

Product Width US	7.87 in	Product Weight US	0.5 lb
Product Volume US	0.069 cu ft	Product Depth US	7.591 in
Product Height US	2.0 in		

Trade Programs

BAA	Yes
