

FIFRA Section 2(ee) Recommendation

For Control of Spotted Lanternfly on Outdoor Trees and Outdoor Shrubs in all states except CT, Long Island (Nassau, Suffolk, Kings, and Queens counties of NY), MA, MD, ME, TX, and VT. Not for distribution or use in Pinellas (FL) & Tampa (FL) [Jun 1 – Sep 30].

BioAdvanced Science-Based Solutions 12 Month Tree & Shrub Protect & Feed Concentrate

EPA Reg. No. 92564-33

This recommendation is made as permitted by Section 2(ee) of FIFRA, as amended, and has not been submitted to or approved by the US Environmental Protection Agency. This recommendation must be in the possession of the user at the time of pesticide application.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For Spotted Lanternfly, use any container or watering can. Measure distance around tree trunk, height of shrub, or determine container size. Measure and pour required amount of product into bucket of water. Pour solution around tree or shrub base or in container.

Follow all other label directions, restrictions and precautions on the product label.

ALWAYS READ AND FOLLOW LABEL INSTRUCTIONS

This FIFRA Section 2(ee) recommendation contains new or additional directions for use of this product, which may not appear on the package label. Read and observe the precautionary statements plus all other information appearing on the product labels. For Utah and Washington, this recommendation is not required to be in the possession of the user at the time of pesticide application. For all other states, this recommendation must be in the possession of the user at the time of pesticide application.

This Technical Information Bulletin expires on 12/31/2024.
