four port

coax networking adapter

EASILY DELIVERS HIGH-SPEED INTERNET FOR YOUR HOME NETWORKING NEEDS

Multimedia over Coax (MoCA) technology creates a home network using existing coax wiring. Coax cable is a high-bandwidth medium, making it ideal for reliable HD streaming video content, online gaming, and web browsing
The Legrand Four-Port Coax Networking Adapter (DA2204-V1) attaches to any coax connector, delivering a high-speed Internet connection to as many as four devices – including Internet-capable TVs, Blu-ray players, computers, set-top boxes, and gaming systems – from one coax cable. Perfect for your entertainment networking needs, the Four-Port Coax Adapter is easy to install and well suited for retrofit networking projects.

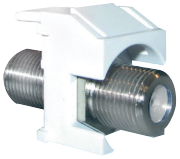

- Enables streaming of HD content throughout the home
- Forms network using existing coax cable wiring
- Speeds up to 170Mbps
- MoCA 1.1 compliant
- Does not interfere with cable or off-air antenna signals
- Includes 4 port 10/100 Network switch
