

IMPROVE SECURITY

Control Your Confidential Information

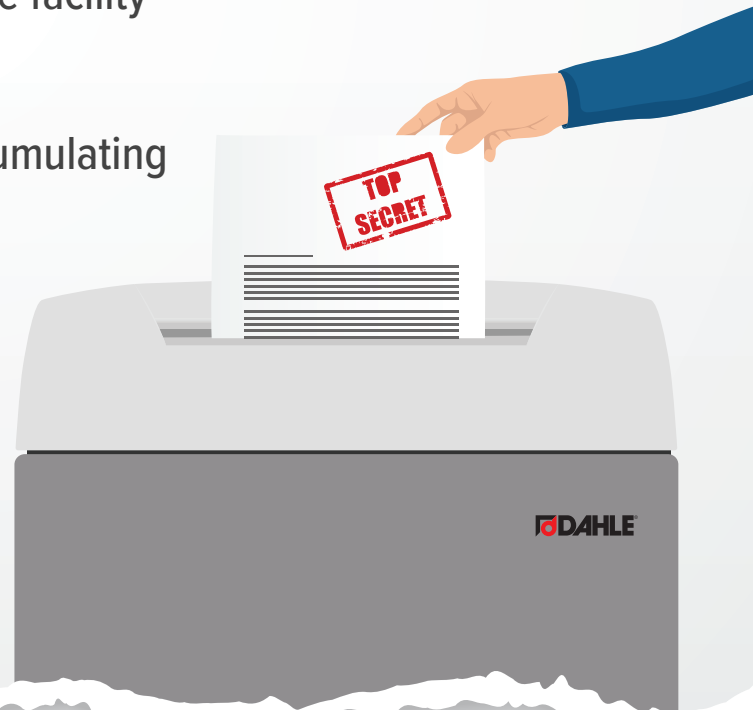

Don't give your confidential information to strangers at mobile shredding services. It's not worth the risk. Shred documents at the source for guaranteed security.

Guarantee Security Switch to In-House Shredding Today!

- Avoid strangers handling your confidential information
- Confidential documents never leave the facility
- Control your level of security (P-2 – P-7)
- Prevent sensitive documents from accumulating
- Ensure compliance with HIPAA, FACTA, and other regulations
