18200CH NICOR Chicago Approved Steel Housing

The 18200CH series model is designed for Chicago applications where a steel housing is required. The unit is designed for both new and retrofit installations and offers high power efficiency and uniform illumination, which are ideal for stores, offices, hospitals and school corridors.

Construction

20-gauge steel housing with white finish
 White corrosion-resistant polyester powder coat paint with knock-outs for installation
 Red silk-screened letter on white phosphorescent, heat-tempered, impact-resistant glass lens
 Steel canopy allows ceiling or end mounting
 Universal pattern knockout on rear for direct mounting to junction box.

Electrical

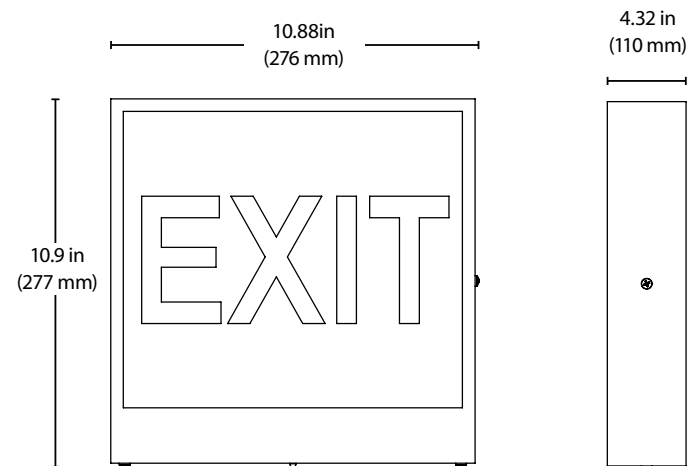

Dual-voltage input 100-300VAC
 Maintenance-free nickel-cadmium battery
 Energy saving LED lamp source

Installation

UL 924 listed for damp location and City of Chicago approved
 Universal pattern knock-out on rear for direct mounting to junction box

Warranty

3 year warranty
