

SILVER PALM

2023

C a b e r n e t S a u v i g n o n

VINEYARDS:

The grapes for Silver Palm Cabernet Sauvignon are primarily sourced from California's Coastal AVA, Mendocino County. This growing region is uniquely influenced by cool coastal air and fog from the Pacific Ocean, resulting in a temperate mesoclimate, ideal for the cultivation of seductive Cabernet Sauvignon.

TASTING NOTES:

Our Cabernet Sauvignon is dark ruby in color, with aromas of black cherries, anise, tobacco, and dark chocolate. On the palate the wine presents great flavors of blackberries, cherries, cocoa, and toasty oak. Which are complemented by soft tannins that lead to a silky finish. Extremely easy to drink on its own and is just as versatile when it comes to pairing with food.
