Continental CEFL50FH Linear Electric Fireplace

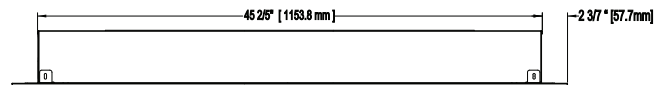

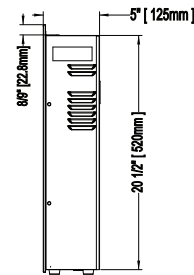

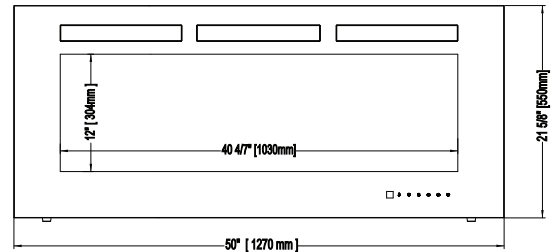

Continental's CEFL50H Linear Electric Fireplace can be partially recessed and is perfect for those wanting an aesthetically pleasing focal point in their room without the need for venting. The high-power LED lights make it one of the brightest electrics and can be used in day light or after dark. The CEFL50H features three different flame color settings to match or enhance any room in your home, a generous glass front and a clear glass ember bed to complement the crisp, clean design.

Competitive Advantages

- High Power LED lights provide day or night intensity and require no servicing
- Ultra slim design

Features and Benefits

- Simply plugs into a 120V wall outlet
- Features front vents within the sleek design
