

# Easy Paks®

## Heavy Duty Cleaner Degreaser

Non-corrosive cleaner/degreaser that delivers superior degreasing of hard surfaces.

### Features & Benefits

- Pre-measured packets make it easy to use
- Storage tubs weigh less than 4 pounds/2 kg and saves space in crowded storage areas
- Helps remove the grease that could cause slips and falls
- Heavy Duty formula designed to clean even the toughest of soils

### Applications

- Effectively fights nonfood soil and grime on floors and other hard surfaces such as stainless steel, linoleum, vinyl, asphalt, ceramic tile, quarry tile, terrazzo, marble, concrete, and painted surfaces

# Easy Paks<sup>®</sup>

## Heavy Duty Cleaner Degreaser

### Use instructions

- Select proper dilution strength (see below).
- Add packet to warm or hot water and stir gently to form a uniform solution.
- Apply solution with mop or spray surface and wipe with clean cloth or sponge. Rinse thoroughly with potable water.

*General Cleaning:* Add one packet to 4 U.S. gallons/ 15 L of warm or hot water.

*Daily Degreasing:* Add one packet to 3 U.S. gallons/11 L of warm or hot water.

*Heavy Degreasing:* Add one packet to 2 U.S. gallons/8 L of warm or hot water.

*Spray Cleaning:* Add two packets to 5 U.S. gallons/19 L of warm or hot water.

### Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at [www.diversey.com](http://www.diversey.com) or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
