PRODUCT ASSEMBLY

Please retain these instructions for future reference.

Position a part C side panel upside down with the ball entry hole closer to the floor. Insert four part A home player rods into the designated slots. Make sure that the ends with a hole are arranged on the same side.

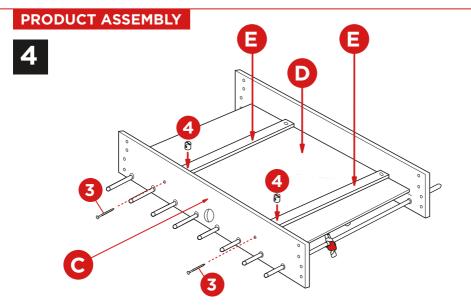

Insert four part B away player rods into the designated slots. Make sure that the ends with a hole are arranged on the same side.

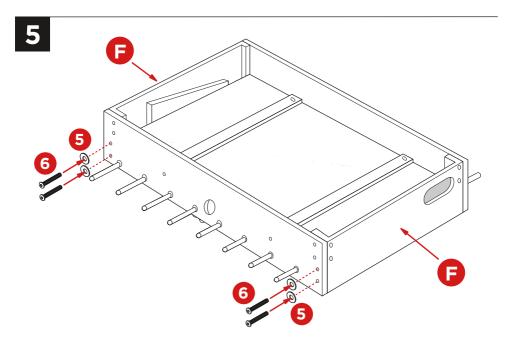

the figures and table are

upside down.

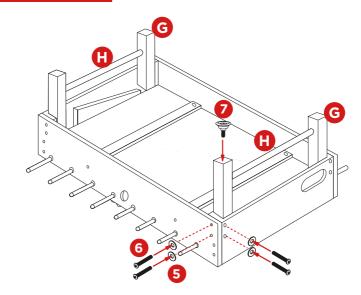

Slide the other part C side panel onto the rods. Flip the part D playfield upside down and place it into the designated slots on the side panels. To secure the playfield, attach the two part E support braces with two part 3 screws and two part 4 nuts on each side.

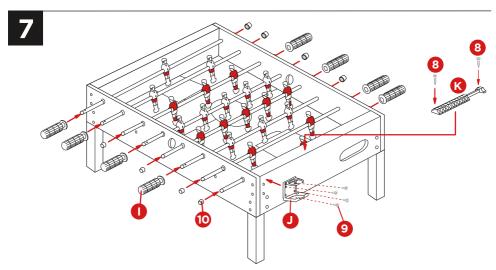

Slide on the two part F end panels to form the table frame. Secure the table frame with two part 6 bolts and two part 5 washers on each corner.

PRODUCT ASSEMBLY

Position the four part G legs on the corners of the table. Place a part H support bar between each set of legs. Secure the legs to the table with four part 6 bolts and four part 5 washers on each corner. Screw on the four part 7 feet, one on each leg.

Carefully flip the table over with the help of another person. Do not lift the table while holding onto the rods. Attach a part K scorer with two part 8 screws. Repeat on the other side.

Attach a part J cup holder with four part 9 screws. Repeat on the other side.

Slide eight part I handles onto the ends of rods with a hole. Slide eight part 10 end caps onto the ends of rods without a hole. Repeat on the other side. Note: a drop of liquid soap will help the handles slide on more easily.
