# Anti Bac Spray Mop

---

Please retain instructions for future reference.

## CARE AND USE

---

To be eligible for the guarantee, please retain your proof of purchase.

The mop pads are treated with zinc pyrithione, a biocide that protects the product from bacterial-associated odours and mould.

Please retain instructions for future reference.

Remove all of the packaging.

Lay mop head on unscrew the cap.

Prepare a solution of water and detergent/disinfectant (according to detergent manufacturer's instructions) and add it to the water tank.

Do not use hot water.

Not suitable for use with bleach.

Replace the cap and push the tank onto the mop.

Press the trigger on the handle to operate the spray function.

Caution Do not fill the water tank with hot or boiling water.

Use only on cool surfaces.
