

# ESPRIT LEFLAIVE

## 2021 CORTON CHARLEMAGNE, GRAND CRU

#### **WINERY**

The roots of the Leflaive family go back to 1717 when Claude Leflaive took up residence in Puligny-Montrachet, intent upon cultivating several acres of vineyards. The domaine, in its present form, was created by Joseph Leflaive between the years of 1910-1930, as a result of his successive purchases of vineyards and houses. Domaine Leflaive has been entirely a family domaine since its creation. Brice de La Morandière, great-grandson of the founder, Joseph Leflaive, represents the fourth generation at the head of the domaine. In 2015, after an international corporate career, he succeeded Anne-Claude, pioneer in biodynamics. It is with the same philosophy of respect for thegreat terroirs, humility toward the forces of nature and relentless pursuit of excellence in viticulture and in winemaking that the domaine will continue to grow in the future.

#### WINE

A selection of unique wines, Esprit Leflaive was born in the 2018 vintage. At the crossroads of fabulous terroirs from Burgundy and an expertise in Chardonnay and Pinot Noir, Esprit Leflaive ventures beyond the Côte de Beaune and the Mâconnais, to Chablis and the Côte de Nuits, to explore the wider Burgundy.

#### **VINEYARDS**

While not an estate holding of the domaine, what an exciting proposition it is to think of the spirit of Leflaive and its uniquely talented winemaker (who has experience in this particular Grand Cru) being given the chance to offer an expression of one of the pillars of white wine, the

Corton-Charlemagne. Extremely small quantities (only one barrel) were produced from this pedigreed terroir, with the farming and harvesting done by the experienced team at Domaine Leflaive.

#### **VINTAGE NOTES**

The 2021 vintage was marked by frost and humidity, proving to be particularly difficult for the vines. After a rather cold first part of winter, March turned out to be spring-like, even hot at the end of the month. The buds appeared and vegetation developed, and after these premature advancements, the vines experienced three days of snow and in some cases severe frost. April and May were then cool and rainy which slowed vegetative developments, while June offered an alternation of stormy periods and heat. July continued to be gloomy and often rainy. The second part of August brought sunny days and a significant rise in temperatures. The maturity of the grapes were able to catch up through early September prior to harvest. Harvest began in late September before the return of more rains. The maturity remained remarkable despite a complicated growing season, offering promise for a most satisfying vintage.

#### WINEMAKING

Manual harvesting, pneumatic pressing and alcoholic fermentation in oak barrels. Aged 12 months in oak barrels then 6 months in stainless steel vats.

#### **TASTING NOTES**

The delicate and fine reduction on the nose is typical of the nobility of a Charlemagne. This wine with great density on the palate and a sense of bitterness which make it vibrate!

#### **VINEYARD**

Region: Bourgogne

Sub-region: Côte de Beaune

**Appellation**: Corton-Charlemagne, Grand Cru, AOC

Soil: Jurassic marl, loam, limestone

Age/Exposure: Planted 1993

Southeast

Vineyard Area: 0.11 ha

Certifications: Organic, Ecocert 2018

#### WINEMAKING

Varietals: 100% Chardonnay

Harvest: Manual

Aging: 1 year in oak barrels, then 6 months

in stainless steel vats

### **TECHNICAL DETAILS**

Yeast: Native Alcohol: 13%
