

DYNACARE

bubble fresh toothpaste

DynaCare Bubble Fresh Toothpaste is designed to promote dental health while making brushing fun for kids. Available with fluoride for added cavity protection, or without fluoride for gentle cleaning of sensitive teeth and gums. Its kid-friendly bubblegum flavor encourages consistent dental hygiene.

- Kid-friendly toothpaste designed to support teeth and gum health
- Features bubblegum flavor to help make brushing enjoyable and encourage regular brushing habits
- 5917-5920: Contains fluoride to provide enhanced protection against cavities
- 5921-5924: Fluoride-free formula, safe for young children and those with sensitivities
