

LEATHER NEEDLESTICK LE

LAW ENFORCEMENT HAND PROTECTION

The Mechanix Wear Durahide™ Leather Needlestick LE gloves deliver essential protection against hypodermic needles, blades, and other sharp threats that Law Enforcement and Corrections officers may encounter while on duty.

We incorporated Durahide™ FR Goat Skin leather, ArmorCore™ needlestick resistant technology and a 360° cut liner to ensure essential protection from needlesticks, cuts and punctures as well as hot-stamped grip overlays on the fingers and palm for improved durability, grip, and comfort while on the job.

FEATURES

- 1 High performance Durahide™ FR Goat Skin leather provides enhanced durability, grip, dexterity, and comfort.
- 2 ArmorCore™ technology covers entire palm and rolls over fingertips, offering ASTM F2878 Level 2 needlestick puncture protection
- 3 The 360° cut liner allows the glove to reach ANSI A7 certification.
- 4 Hot stamp texture on fingertips and palm that provide improved grip.
- 5 Adjustable hook and loop closure secures fit and provides snag free performance when drawing weapons.
- 6 Low profile cuff designed for optimum wrist mobility and plays well with watches.
- 7 AX G-Series palm reinforcement enhances durability & provides exceptional grip on tools and weapons.
- 8 Constructed with Kevlar® thread throughout.
- 9 Touchscreen capable.
