<b>- Hand protection</b>	For accidental contact the use of disposable gloves should be sufficient provided they are changed immediately after a splash or spill may occur. If intentional contact is expected reusable gloves should be used with a breakthrough time greater than the total duration of the product use. Nitrile gloves are recommended.
<b>- Other</b>	Wear suitable protective clothing.
<b>Respiratory protection</b>	Not necessary in normal use. In case of insufficient ventilation, wear suitable respiratory equipment. Chemical respirator with organic vapour cartridge. (Filter type A)
<b>Thermal hazards</b>	Wear appropriate thermal protective clothing, when necessary.
