INSTALLATION TOOLS & MATERIALS

25% OFF!

RUBIMIX E-10 ENERGY KIT The RUBIMIX E-10 ENERGY CAS is a fully portable, battery-powered mixer designed for cementitious adhesives, resins, paints, and similar materials. Its maintenance-free brushless motor and 18V 5.2Ah ENERGY CAS battery deliver up to 90 liters of mixing capacity while remaining compatible with the CAS cordless platform. Ergonomic double handles, a two-speed gearbox, safety lock, and RUBI's FAST-IN quick-connection system with a 120 mm rod ensure comfort, control, and fast, tool-free setup.
