HIGH-VISIBILITY WORK GLOVES

The Mechanix Wear Durahide™ Hi-Viz Needlestick Protection glove is designed for those who handle glass, needles, sharp blades, or cables on the job. The combination of high-performance Durahide™ Leather and ArmorCore™ needlestick resistant technology across key areas of the fingertips and seams helps block, deflect, and minimize injuries from sharp objects without sacrificing dexterity, breathability, and comfort.

FEATURES

- 1 High-performance Durahide™ leather provides additional abrasion resistance, durability, dexterity, and comfort.
- 2 ArmorCore™ technology that meets ASTM F2878 level 2 needlestick puncture protection across the palm, fingertips, and seams.
- 3 3mm EVA padding delivers additional protection to the knuckles.
- 4 Hi-Viz poly shell and reflective printing on fingers ensures maximum visibility.
- 5 Water-resistant leather palm protects from harmful fluids.
- 6 Roll over fingertip construction offers reinforced needlestick protection and improved durability.
