

VITAMINS A&D OINTMENTS

SKIN PROTECTANT

WeCare A&D Ointment is designed to help moisturize dry, rough skin and soothe minor irritations such as diaper rash, chafing, scrapes, and minor burns. This premium-quality ointment is formulated with vitamins A and D to gently nourish sensitive skin. The ointment is infused with lanolin and lavender oil for added hydration and pleasant scent.

- * Formulated with vitamins A and D to protect and soothe dry, irritated skin
- * Designed to effectively relieve irritation caused by minor cuts, burns, and diaper rash
- * Infused with lanolin and lavender oil for improved hydration and pleasant scent
