LEATHER HAND PROTECTION

Introducing the Durahide™ Cow Driver work glove, the perfect solution for professionals in the industrial sector who need a dependable and versatile leather glove for the job site. Our proprietary Durahide™ leather technology makes this glove water-resistant, yet breathable, ensuring your hands stay dry and comfortable in damp conditions. With no break-in time required, you can start using these gloves right away. The Durahide™ Cow Driver is the ideal choice for professionals who demand performance and reliability from their work gloves.

FEATURES

- 1 Comfortable stretch-elastic cuff provides easy on and off flexibility.
- 2 High-tensile strength liner provides 360° EN 388 Level F & ANSI A9 cut resistance.
- 3 Top grain Durahide™ leather protects the back of your hands while you work.
- 4 Durahide™ leather protects your palm with extreme abrasion resistance.
- 5 Gunn cut finger design repositions vulnerable seams for improved durability.
- 6 Arc Flash Cal Rating 22 cal/cm2.
- 7 Fire Resistant.

INTENDED USES

- Construction
- Oil & Gas
- Mining
- Rigging
