PRELIMINARY QUICK SPECS

PSE28QYYFS

GE Profile™ ENERGY STAR® 28 Cu. Ft. Side-by-Side Refrigerator with Hands-Free AutoFill and CustomSize Ice

FEATURES AND BENEFITS

Hands-Free AutoFill - Lets you walk away while the dispenser automatically fills any container with filtered water. Easily AutoFill tall items with an 11-inch dispenser opening.

CUSTOMSIZE ICE - Control your ice cube size in the second icemaker that is engineered to produce 8 different ice sizes, which flex from faster-chilling to slower-melting. Change your cube at any time via the SmartHQ™ app.

DUAL ICEMAKERS - Have plenty of filtered ice on hand with two icemakers located in the door, freeing up valuable space in the freezer. Dispense cubed or crushed ice through the door or use the included ice scoop.

LED LIGHT WALLS - The LED Light Walls are engineered to shed bright light throughout the fridge and freezer, illuminating every shelf and making even the smallest items easy to find.

EXTRA LARGE STORAGE CAPACITY - Maximize your food storage with 28 cubic feet of capacity; built to handle everything from everyday essentials to bulk grocery purchases.

ADJUSTABLE GLASS SHELVES - Utilize every inch of space with adjustable, full-width, glass shelves that extend from wall to wall. Easily reposition the height to fit a bottle of wine or even fit a 13x18 baking sheet, giving you flexible storage space right where you need it.

EXTRA LARGE ADJUSTABLE DOOR BINS - The adjustable door bins with chrome accents can flex up and down to fit your needs, whether you need to move a tall item to the door, fit more than two gallons in a bin, or stock up on everyday essentials.

SLIDE-OUT STORAGE DRAWERS - Keep your food organized with two, dedicated drawers in both the fridge and freezer sections. Ideal for separating produce, meats, frozen meals, and more, these drawers offer targeted storage and easy access so that everything has its place.

MULTIVENT COOLING - Multiple vents distribute air flow to help keep set temperatures consistent.

BUILT-IN WIFI, POWERED BY SMARTHQ™ APP - Control your CustomSize Ice, manage the dual icemakers, receive high temperature alerts, adjust temperature settings, get door alarm alerts, check your water filter status, adjust the LED Light Walls, set your Demand Response preferences, control your proximity lighting, and more.

ADVANCED WATER AND ICE FILTRATION - The included refrigerator water filter reduces 50+ impurities including lead, chlorine, microplastics, and PFOA/PFOS; providing clean, safe, drinking water and ice.

MODEL PSE28QYYFS - Fingerprint Resistant Stainless

Also available in counter-depth **MODEL PZE24QYYFS**

Also available with an internal dispenser **MODEL POE29QYYFS**
