Applications

- Formulated to clean toilets and urinals in 3 easy steps

Use instructions

Step 1: Flush toilet before cleaning and drop one Easy Pak in the toilet bowl.

Step 2: Wait for product to dissolve and foam in the water. While you wait, it is recommended to clean the outside of the toilet with a spray and wipe cleaner.

Step 3: With a toilet brush, swab the inside of the bowl to clean the side walls and under the rim. After the cleaning process is complete, flush the toilet to remove cleaning solution before the next use.

CONTAINS NO PHOSPHORUS

Note: Do not remove packets before use. Do not handle packets with wet hands. Reseal container after removing packets. Store in a cool, dry place. Keep from freezing.
