

# I PORT DATA SHEET

## CONNECT PoE+ Adapters

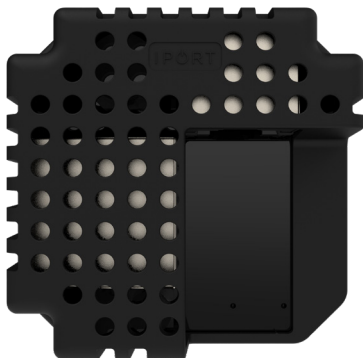

**CONNECT POE+ ADAPTER AND NETWORK ADAPTERS PROVIDE RELIABLE POWER AND OPTIONAL CONNECTIVITY TO IPAD AT ALL TIMES**

The reliability of hardwired connectivity alongside the ease of install with PoE+ to enable your iPad solution to remain powered and connected at all times.

## POE+ ADAPTERS

CONNECT PoE+ Adapter (72102), and PoE+ Network Adapter (72101) is designed to upgrade the CONNECT and CONNECT PRO Line of products to enable hardwired Internet data (72101) and power over PoE+ using a single Cat 5 cable. By providing security of a direct connection to your network and eliminating Wi-Fi dropout, you can be assured your iPad is always charged and connected to your network when attached to an IPORT CONNECT Station or Mounting solution.

# SPECIFICATIONS

## FEATURES

- UPGRADE CONNECT PRO STATIONS OR CONNECT MOUNTS TO ENABLE HARDWIRED DATA AND POWER (72101)
