

# ESPRIT LEFLAIVE

## 2021 BEAUNE PREMIER CRU, LES TUVILAINS

### WINERY

The roots of the Leflaive family go back to 1717 when Claude Leflaive took up residence in Puligny-Montrachet, intent upon cultivating several acres of vineyards. The domaine, in its present form, was created by Joseph Leflaive between the years of 1910-1930, as a result of his successive purchases of vineyards and houses. Domaine Leflaive has been entirely a family domaine since its creation. Brice de La Morandière, great-grandson of the founder, Joseph Leflaive, represents the fourth generation at the head of the domaine. In 2015, after an international corporate career, he succeeded Anne-Claude, pioneer in biodynamics. It is with the same philosophy of respect for the great terroirs, humility toward the forces of nature and relentless pursuit of excellence in viticulture and in winemaking that the domaine will continue to grow in the future.

### WINE

A selection of unique wines, Esprit Leflaive was born in the 2018 vintage. At the crossroads of fabulous terroirs from Burgundy and an expertise in Chardonnay and Pinot Noir, Esprit Leflaive ventures beyond the Côte de Beaune and the Mâconnais, to Chablis and the Côte de Nuits, to explore the wider Burgundy.

### VINEYARDS

The red wine range in the L'Esprit Leflaive offering is perhaps a touch more intriguing than the whites, if only because Pinot Noir has historically never really factored into the domaine's range in any significant way. Pierre Vincent's elegant and deft touch in expressing the beautiful character of Pinot Noir, even from appellations often

considered to be bordering upon rustic, is fully apparent. This wine has polish and balance beyond its label and expresses lovely balance.

### VINTAGE NOTES

The 2021 vintage was marked by frost and humidity, proving to be particularly difficult for the vines. After a rather cold first part of winter, March turned out to be spring-like, even hot at the end of the month. The buds appeared and vegetation developed, and after these premature advancements, the vines experienced three days of snow and in some cases severe frost. April and May were then cool and rainy which slowed vegetative developments, while June offered an alternation of stormy periods and heat. July continued to be gloomy and often rainy. The second part of August brought sunny days and a significant rise in temperatures. The maturity of the grapes were able to catch up through early September prior to harvest. Harvest began in late September before the return of more rains. The maturity remained remarkable despite a complicated growing season, offering promise for a most satisfying vintage.

### WINEMAKING

Manual harvesting with partial whole bunch vinification, and long maceration in wooden vats with some manual punching down. Aged 15 months in oak barrels (including 25% in new barrels) then 3 months in stainless steel vats.

### TASTING NOTES

Attractive fruitiness with beautiful notes of wild strawberries make it a very charming wine. There is immense density on the palate due to the full maturity of tannins which will aid in its longevity.
