With Bimova™ ceramic tile, each unique cool neutral takes its namesake from Greek mythology, celebrating natural elements of wind and water, as well as ancient philosophers. And while the collection may take inspiration from the past, its look reflects modern industrial design for inviting atmospheres.

**Frost Resistant Tile. This product is not classified as true porcelain as the water absorption falls within 0.5% - 3%. However, this product is able to be used almost anywhere porcelain tile is used.

The striking colors of Passion™ will inspire breathtaking designs throughout any living space. This unique wall tile transcends traditional subway tiles into something ethereal. Colors ranging from soft White to delicate Rosa to deep Nero, Passion™ brings a truly magical element that will complement any decor.
