

Soft Care Sensitive Foam™/MC

Gentle Foam Hand Wash

Soft Care Sensitive Foam™/MC is a fragrance-free, dye-free luxury hand wash for use when frequent washing is required and healthy hands are desired. Formulated with skin softening ingredients, Soft Care Sensitive helps keep hands moisturized even after repeated use. This product is certified Ecologo, BioPreferred, NSF E-1, Kosher, Halal and dermatologically tested against skin irritation.

Features & Benefits

- Ecologo, BioPreferred, NSF E-1, Kosher and Halal certified foaming hand wash
- Gentle and effective hand wash helps reduce the spread of germs
- pH balanced and dermatologist tested for sensitive skin
- Dye-free and fragrance-free
- Skin softening emollients help keep skin moisturized

Applications

- Best choice for allergy sensitive settings such as schools. Great for use in areas where frequent hand washing requires a deluxe moisturizing hand soap.

Soft Care Sensitive Foam^{TM/MC}

Gentle Foam Hand Wash

Use instructions

Apply one dose of product to hands and rub for at least 20 seconds, taking special care to wash between fingers and around finger tips. Rinse thoroughly and dry hands completely.
