Additional Installation Information

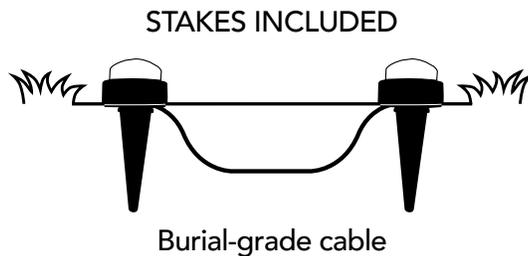

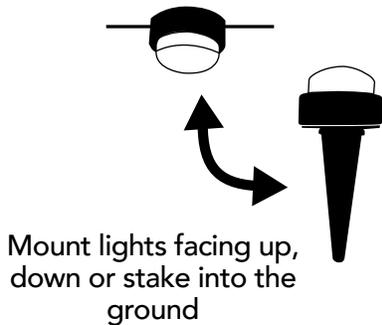

- Landscape lights feature 22 AWG UV stabilized direct burial-grade cable. This allows you to conceal excess cable by directly burying it in the soil or covering it with garden bedding.
- When mounting lights up, use the keyholes on the back or ear-tabs on the side — screws not included.
- Use #6 pan head screws (not included) to mount each puck to a solid support structure such as joists, beams, studs and more.
