

SYRINGES WITH NEEDLES

ITEM 6994-7016

Dynarex Syringes with Needles are designed to help provide accurate and effective medication dosing. Each disposable syringe includes a sterile, stainless-steel needle with a double-beveled tip for improved patient comfort. The syringes feature transparent barrels with bold, easy-to-read numbering and either luer lock or luer slip connections.

- Designed to provide accurate and effective medication dosing
- Thin, double-beveled needles allow for improved patient comfort
- Smooth-gliding plungers with integrated stops help prevent accidental needle pop-out
- Transparent barrels with bold, easy-to-read markings allow for accurate measurement
- Compatible with luer lock and luer slip connections
- Color-coded needles allow for easy identification of needle gauge-size
- Sterile, non-toxic, and non-pyrogenic
- Not made with natural rubber latex
