

CRC Brake Degreaser

1. General Description

Degreaser for brake parts during maintenance or overhaul.

2. Characteristics

- Fast evaporation to minimize downtime.
- Does not leave a residue.
- Safe on all metal surfaces, does not stain.
- Safe on most rubbers, plastics and coatings. Test on sensitive or stressed materials before use.
- Convenient 360° (including inverted position) spray valve for aerosols.
- High purity CO₂ propellant, giving an active product content of 95%.

3. Applications

- Perfect for cleaning and degreasing of all brake and clutch parts.

4. Instructions

- Spray liberally and allow to run off.
- Allow to dry at room temperature.
- Repeat if necessary.
- Test before use on sensitive materials.
- Do not use on energized equipment.
- Do not use on sensitive electronic equipment.
- Allow to dry completely before reactivation.
- Use only with adequate ventilation.

A safety data sheet (MSDS) according to EC Regulation N° 1907/2006 Art.31 and amendments is available for all CRC products.

Technical Data Sheet

CRC Brake Degreaser

5. Typical Product Data (without propellant)

• Appearance	:	Liquid.
• Colour	:	Colourless.
• Odour	:	Characteristic odor.
• Density	:	0.68 g/cm ³ (@ 20°C).
• Flash Point	:	< 0°C
• Auto Ignition temperature	:	> 200 °C

6. Packaging

Aerosol: 12x500 ML

Bulk: 2 x 5L , 20L , 60L

All statements in this publication are based on service experience and/or laboratory testing. Because of the wide variety of equipment and conditions and the unpredictable human factors involved, we recommend that our products be tested on-the-job prior to use. All information is given in good faith but without warranty neither expressed nor implied.

This Technical Data Sheet may already have been revised at this moment for reason such as legislation, availability of components and newly acquired experiences. The latest and only valid version of this Technical Data Sheet will be sent to you upon simple request or can be found on our website: www.crcind.com.

We recommend you to register on this website for this product so you will be able to receive any future updated version automatically.
