

HI-VIZ M-PACT[®] 2

HIGH-VISIBILITY IMPACT PROTECTION

Hi-Viz M-Pact[®] 2 work gloves protect working hands with full-coverage impact resistance and eye-catching luminance. The Hi-Viz M-Pact[®] 2 delivers updated protection to the fingers and knuckles and improved palm features that allow you to work smarter not harder. The M-Pact[®] 2 incorporates ARIAPRENE[®] COR foam, EVA foam padding and Thermoplastic Rubber (TPR) across the fingers and knuckles for enhanced protection against blunt force impact. A re-designed dual layer palm built with EVA foam padding and D30[®] Aero for protection and Padlock[®] Silicone grip for increased durability and grip.

FEATURES

- 1 ARIAPRENE[®] COR foam, EVA foam padding and Thermoplastic Rubber (TPR) across the fingers and knuckles provides enhanced protection against blunt force impact and now meets CE Certification and ANSI Level 1.
- 2 Newly designed dual layer palm featuring 2mm EVA foam padding (palm) and 4mm D30[®] Aero (heel) for protection
- 3 New Padlock[®] Silicone grip palm and hot-stamped high traction texture across fingers
- 4 Newly added TPR protection to thumb
- 5 Dual layer fingertip reinforcements (fused internally) across all fingers for enhanced durability
- 6 New wrist TPR patch delivers increased protection to the Ulna, reducing injuries
- 7 100% Touch capable palm
