## Care Instruction for Fabric Furniture:

In order to maintain the original appearance of your fabric furniture, please follow below simple care procedures:

- Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Sunlight and/or exposure to heating and air conditioning outlets will fade/damage fabric.
- Vacuum or wipe with a soft brush to remove dust.
- Clean fabric furniture with professional cleanser.

- For items use on wooden floor, hard surfaces or carpets, it is recommended to install protective pads under all legs and supports to avoid/prevent from damages/scratches and discoloration.
