

## FIFRA Section 2(ee) Recommendation

**For Control of Spotted Lanternfly on Outdoor Ornamentals, Outdoor Shrubs, and Containerized Plants in all states except CT, MA, MD, ME, NY, TX, and VT. Not for distribution or use in Pinellas (FL) & Tampa (FL) [Jun 1 – Sep 30].**

### **BioAdvanced Science-Based Solutions 12-Month Tree & Shrub Protect and Feed Ready-To-Use Granules II**

**EPA Reg. No. 92564-49**

This recommendation is made as permitted by Section 2(ee) of FIFRA, as amended, and has not been submitted to or approved by the US Environmental Protection Agency. This recommendation must be in the possession of the user at the time of pesticide application.

#### **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**For Spotted Lanternfly, determine the amount to use by measuring the distance around the tree trunk or height of the shrub. Apply required amount around the base of the tree or shrub. For containerized plants, determine container size and apply the required amount of product on top of the potting soil in the plant container.**

Follow all other label directions, restrictions and precautions on the product label.

ALWAYS READ AND FOLLOW LABEL INSTRUCTIONS

This FIFRA Section 2(ee) recommendation contains new or additional directions for use of this product, which may not appear on the package label. Read and observe the precautionary statements plus all other information appearing on the product labels. For Utah and Washington, this recommendation is not required to be in the possession of the user at the time of pesticide application. For all other states, this recommendation must be in the possession of the user at the time of pesticide application.
