

Your Favorite Universal Ceiling Fan Remote Control Just Got Better

Effective immediately, we have transitioned from shipping our original UCI-2000 & UCI-2000-2 to the NEW UCIPB-2000 & UCIPB-2000-2. For our customer's convenience, we have simplified the installation by pre-pairing the transmitter and receiver which eliminates the learning step from the installation. Pricing remains the same as the original UCI series.

ORIGINAL:		NEW FOR 2024:	Install and Enjoy - Remote is already paired with the receiver
UCI-2000	Universal Intelligent Receiver, Hand Set or Wall Control	UCIPB-2000	Universal Intelligent Receiver, Hand Set or Wall Control Pre-Paired
