

COLDWORK™ DRIVER

COLD WEATHER HAND PROTECTION

Experience winter work or play with the assurance of ColdWork™ Insulated Driver. A water-repellent touchscreen-capable synthetic leather shell provides a robust barrier against challenging conditions without compromising your ability to stay connected. The glove features an elastic area at the wrist coupled with a tubular knit extended cuff to seal in warmth, protecting the most vulnerable part of your hand. Constructed with a 100 gram 3M™ Thinsulate™ Eco Insulation barrier, this glove reliably traps warmth, shielding you against whatever the elements may throw your way.

FEATURES

- 1 100 gram 3M™ Thinsulate™ Eco Insulation keeps hands warm and comfortable.
- 2 Water-repellent synthetic leather shell is durable and rugged for all-day use.
- 3 Heavy-weight tubular knit cuff keeps gloves in place and low profile enough to extend into jacket cuffs.
- 4 Comfortable elastic cuff allows for an easy on & off fit.
- 5 Gunn cut finger design repositions vulnerable seams for improved durability.
- 6 Touchscreen-capability throughout.
