CARAFES & DECANTERS

The exaggerated bottoms and dramatic long necks command attention while enhancing wine's taste and appearance. Decanting removes the sediment from the wine and adds oxygen – allowing the scents and aromas to develop better and more quickly. It's a smart investment that makes guests feel pampered, with tableside presentations that let you increase margins.

BEER CLASSICS

Leverage the popularity of craft beers and generate bigger tabs with this brilliantly clear, functional glassware – specifically designed to enhance the appearance, aroma and flavor of fine beer.
