

Famille Coulon

LE PETIT RENARD ROSÉ 2022

ABOUT THE WINERY

Domaine de Beurenard has been a family-run estate for eight generations. Today, brothers Daniel and Frédéric Coulon and Daniel's sons Victor and Antonin are dedicated to producing the most essential expressions of this historic region, long sought-after by discerning collectors and enthusiasts around the globe. Domaine de Beurenard has been producing certified biodynamic wines on more than 80 acres of this celebrated terroir since 2010. In addition to the timeless Domaine de Beurenard facilities, the Coulon family has developed a range of certified biodynamic wines made from grapes sourced in friends' vineyards in the Rhône region. The Coulon family, owners of Domaine de Beurenard in Châteauneuf-du-Pape, interprets the beauty of Mediterranean terroirs in the Southern Rhône Valley vintage after vintage.

ABOUT THE WINE

Le Petit Renard was born out of a desire to share the passion and make it accessible through wines that are pure and sincere, wines that we love.

KEY SELLING POINTS

- All vineyards are certified organic and biodynamic and are frequently followed by the Coulon family during the growing season up to harvest.
- Wines are made in the same facilities and with the same attention to details as the rest of the Châteauneuf-du-Pape produced by the family.
- No oak aging as the goal is to produce a fruity and mineral expression of the southern Rhône valley.
