

# HI-VIZ HEAVY DUTY

## HIGH-VISIBILITY IMPACT PROTECTION

Hi-Viz Heavy Duty work gloves are your first line of defense against impact, abrasion and hand fatigue on the job. Fluorescent materials make you more conspicuous in hazardous work environments and reflective ink creates eye-catching luminance. The palm features machine washable leather, multi-zone padding with performance cushioning and leather reinforced fingertips where you need it most. High-visibility Thermoplastic Rubber (TPR) impact protection disperses damaging blows to the top of your hand and extends to the tip of each finger for critical pinch-point finger protection when operating heavy equipment.
