### FEATURES

- Optimyst® Flame Effect**  
Revolutionary ultrasonic technology produces the illusion of three-dimensional flame using vapor technology.
- ComfortSaver®**  
Dimplex's exclusive ComfortSaver heater provides on-demand, supplemental heating that warms up to 1,000 sq. ft.
- Custom Color Creations**  
Choose between a traditional natural amber flame or go contemporary with a variety of brilliant color themes; cycle through a range of colors using the custom mode, freezing on the hue of your choice.
- Slim Design**  
A zero-clearance firebox with a slimmer 12" deep design.
- Crackling Sound Effects**  
Enjoy a complete sensory experience with the sound of natural wood fire.
- Fully-Sealed Glass**  
Front glass fully seals to protect and stabilize the flames.
- Built-in Timer**  
Set for 30 minutes to 8 hours.
- Smart Self-Diagnostics**  
Integrated self-diagnostics that simplify troubleshooting and improve service.
- Continuous Water Supply**  
Designed to connect to main water line providing continuous operation. Optional plumbing kit is available.
- Frame, Wire and Finish**  
Basic installation requires fewer tradespeople, no gas lines, venting, or chimney.
