

INVACARE®
BAR750
BARIATRIC BED

The **Invacare® BAR750 Bariatric Bed** features a heavy-duty, full-electric bed frame capable of supporting up to 750 lb, and comes standard with a battery backup with the patient in mind, this bed expands from 39" wide to a full 48" and from 80" in length to 88". Four ultra-quiet DC actuators easily reposition the head and foot sections, as well as the bed height.

Features

Heavy-duty frame design ensures added strength for client support

Split-spring design eases delivery and setup

Two locking casters on head section and two steering lock casters on foot section

Two high-low motors, one on head section and one on foot section

Pendant is designed to allow for dynamic client positioning

Quiet, smooth operation

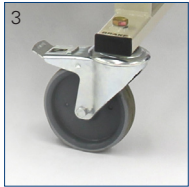

Integrated battery backup, bed ends and half rails standard

Choose from three mattress width options

BARMATT Mattress options meet fire safety regulations 16CFR1633 and 16CFR1632

675 lb. patient weight capacity

HCPCS Code: E0302

1. Heavy-duty frame
