

# Crew® Mean Green®

## Clinging Toilet Bowl Cleaner

Removes tough soils found in toilets and urinals. Strong formula clings to bowls, even below the water line.

### Features & Benefits

- Eliminates odors found in and around toilet bowls and urinals
- Special HCl formula clings to bowl and below water line for tough stain removal

### Applications

- For use in toilets and urinals found in hospitals, nursing homes, schools, colleges and hotels
- For use on hard, inanimate, nonporous surfaces such as floors, walls, porcelain, and plastic surfaces

# Crew® Mean Green®

## Clinging Toilet Bowl Cleaner

### Use Instructions

#### To clean bowl and urinals

- Squeeze bowl cleaner on all porcelain surfaces. Cover all recesses and areas where stains can build-up under the rim, water outlets and drain pipe openings (30 mL).
- Allow bowl cleaner to stand for at least 10 minutes.
- Swab and flush rinse.

### Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at [www.diversey.com](http://www.diversey.com) or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
