# Parts List

Part Number	Description	Quantity
1	Chair Frame	1
2	Legs	4

# Step 1

Let's get started! This will be super quick. First, turn the Chair Frame over (1) and unzip the zipper —inside, you'll find a box with the legs.

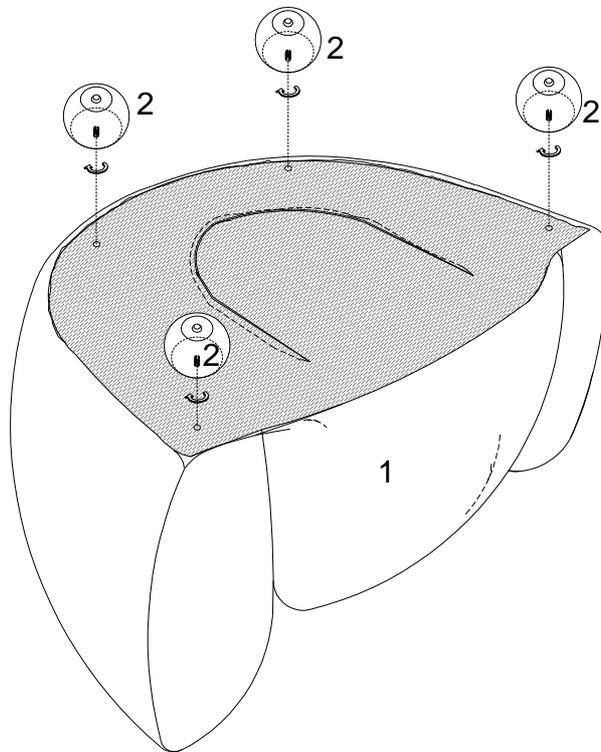

To keep your product looking its best and scratch-free, try assembling it on a soft surface like carpet or a blanket. This helps prevent any accidental scratches and keeps your furniture in top shape!

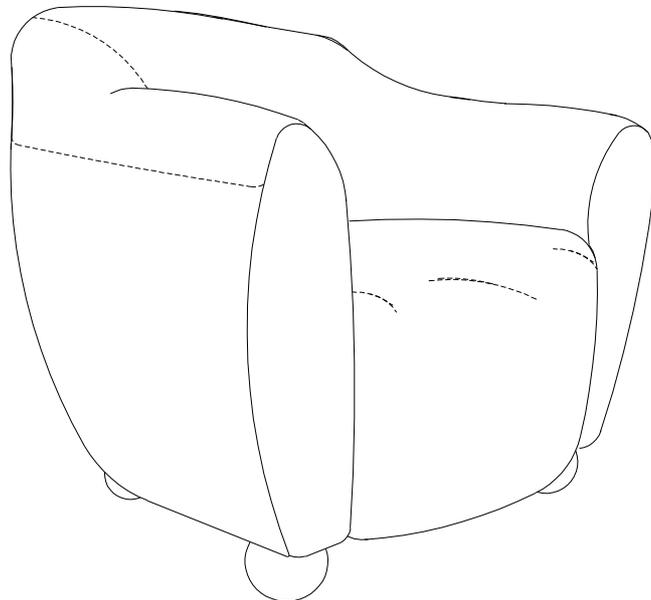

# Step 2

Grab the Legs (2) and twist them onto the bottom of the Chair Frame (1) until they're nice and secure.

# Final Assembly

Flip the chair right side up. That's it—you're all set! Enjoy your new ottoman!

**Congratulations on your new piece of furniture!**
