

Wave 3D

The #1 selling urinal screen in the world

Often imitated but never duplicated, the Wave 3Ds effective patented design keeps restrooms cleaner and smelling fresh.

Freshens for 30 days

Consistent 30-day fragrance release with 3-5x the fragrance load of competitors.

Error-free installation

Reduces splash on either side keeping urine off the floor for less cleaning.

Replacement reminder system

Pull the week tab and month tab to show when to replace.

Contains billions of beneficial bacteria

Consumes odors and keeps drains smelling fresh.
