

SAVANT TOUCH SCREENS

Control Where It Counts

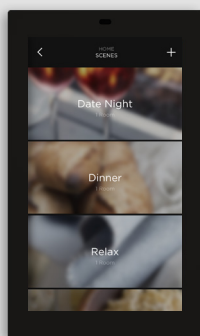

SAVANT TOUCH SCREENS

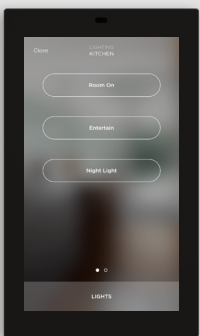

Savant Touch Screens deliver dedicated and elegant control with stunning, high-resolution graphics. They are perfect for high traffic areas where quick control is a must.

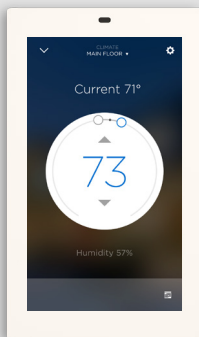

Whole Home Control
View an individual room, or control your whole home

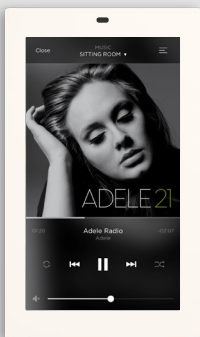

Scenes
Directly access or capture your favorite Scene

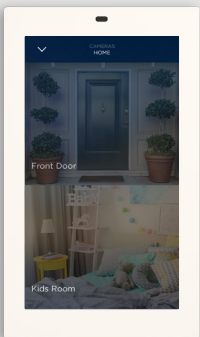

Lighting
Change the room lighting with a tap, or control individual lights

Climate
Set the temperature just right and quickly adjust the climate schedule

Music
Queue up your favorite playlist or streaming service and fill your home with music

Cameras
View security cameras to see what's going on before opening the door
