HVAC REGISTER

CROSS | SLOTTED | SQUARE | T PATTERN

Traditional HVAC vents and returns are finished with unattractive grilles that protrude from the wall and ceiling. TRUFIG Register Vent Grilles come in a variety of sizes and designs to allow venting that matches the style and décor of the space with a clean, flush finish.

TRUFIG MOUNTING SYSTEM

HVAC systems can be vented in beautiful ways to maintain the design and architectural integrity of a space. TRUFIG Register Vent Grilles are designed to provide a clean, elegant aesthetic for HVAC venting. They support a variety of surface finishes including gypsum, plaster, wood, and stone.
