KEYPADS | DIMMERS | SWITCHES

TRUFIG Mounting Platform, Trim Kit, and Fascia systems are designed to blend third party Keypads into architecture for a sleek and luxurious finish. The Keypads can be precision aligned and flush mounted into the surface.

TRUFIG MOUNTING SYSTEM

TRUFIG Mounting Platforms allow for a repeatable, high-quality result across multiple technologies and in a variety of installation surfaces. No more “one-offs” to hide outlets in base boards and back-splashes. The installation process incorporates traditional trade methods ensuring fast, error-free outcomes.
